

When so many voices surround me
Screaming for attention all at once
Makes me long for some time with my Lord
And that old chair by the window where I go
to be with Him alone

On my knees is where I wanna be when this
life overwhelms me
I can pour my heart out and bare my soul to
the One who loves me on my knees

Music is by permission of CCLI #818428

There's nothing I won't show Him
Nothing I can hide
I've never know a burden that was better
kept inside
So many times I've know the joy and felt
that sweet release
As worry turns to worship
And burdens turn to peace

Music is by permission of CCLI #818428

In His sanctuary there is glory,
there is strength
In the presence of the Father there is
wisdom, there is peace
I will come and worship
I will listen, I will speak
Most amazing conversation,
Most amazing transformation,
As the God of all creation talks with me

Music is by permission of CCLI #818428

Here in the quiet of this sanctuary
I want to hear Your gentle voice
I want to hear You,
I want to know You,
I want to love You more
And I won't let this moment slip away
Oh Lord I need a touch from You today

Music is by permission of CCLI #818428

On my knees is where I want to be when
this life overwhelms me I can

On my knees I want to hear Your gentle
voice I want to know You and

On my knees I will come and worship
I will listen I can

Music is by permission of CCLI #818428

pour my heart out and bare my soul
To the One who loves me On my knees.
On my knees.

pour my heart out and bare my soul...
Here in the quiet On my knees

pour my heart out and bare my soul..
to the One who loves me..
in His sanctuary On my knees
