

Lord I want to feel your heart
and see the world through your eyes
I want to be your hands and feet
I want to live a life that leads

ready yourselves
ready yourselves
Let us shine the light of Jesus in the darkest night

ready yourselves
ready yourselves
May the powers of darkness tremble
as our praises rise
Until the whole world hears
Lord we are calling out

Lifting up Your name for all to hear the sound
Like voices in the wilderness we're crying out
as the day draws near
we'll sing until the whole world hears

Lord let your sleeping giant arise
Catch the demons by surprise
Holy nation sanctified
Let this be our battle cry

ready yourselves
ready yourselves
Let us shine the light of Jesus in the darkest night

ready yourselves
 ready yourselves
 May the powers of darkness tremble
 as our praises rise
 Until the whole world hears
 Lord we are calling out

Lifting up Your name for all to hear the sound
 Like voices in the wilderness we're crying out
 as the day draws near
 we'll sing until the whole world hears

Lord let your sleeping giant arise
 Catch the demons by surprise
 Holy nation sanctified
 Let this be our battle cry

we'll sing until the whole world hears
 we'll sing until the whole world hears

Want to be your hands and feet
 Want to be a life that leads
 To see you set the captive free
 Until the whole world hears
 and I pray that they will see
 more of you and less of me

Lord I want my life to be the song You sing
 Until the whole world hears
 Lord we are calling out
 Lifting your name up for all to hear the sound
 Like voices in the wilderness we're crying out
 as the day draws near

**we'll sing until the whole world hears
we'll sing until the whole world hears
we'll sing until the whole world hears
we'll sing until the whole world hears**
