

What if you're right
He was just another nice guy
What if you're right
What if it's true
They say the cross will only make a fool of
you
And what if it's true

What if He takes His place in history
With all the prophets and the kings
Who taught us love, and came in peace
But then the story ends
What then

Music is by permission of CCLI #818428

But what if you're wrong
What if there's more
What if there's hope you never dreamed of
hoping for
What if you jump
Just close your eyes
What if the arms that catch you, catch you
by surprise
What if He's more than enough
What if it's love

Music is by permission of CCLI #818428

What if you dig
Way down deeper than your simple-minded
friends
What if you dig
What if you find
A thousand more unanswered questions
down inside
That's all you find

Music is by permission of CCLI #818428

What if you pick apart the logic
And begin to poke the holes
What if the crown of thorns is no more than
folklore that must be told
And retold

Music is by permission of CCLI #818428

But what if you're wrong
What if there's more
What if there's hope you never dreamed of
hoping for
What if you jump
Just close your eyes
What if the arms that catch you, catch you
by surprise
What if He's more than enough
What if it's love

Music is by permission of CCLI #818428

'Cause you've been running as fast as you
can
You've been looking for a place you can
land
For so long
But what if you're wrong

Music is by permission of CCLI #818428

What if you jump
Just close your eyes
What if the arms that catch you, catch you
by surprise
What if He's more than enough
What if it's love

What if it's love
